## - A Exclusive Strategic Partnership to collaborate and promote Naturopathy globally

KUALA LUMPUR, Malaysia, Nov. 28, 2017 /PRNewswire/ -- Max Capital Management Holding Ltd. (MCM) and Nihar Aarogya Mandir (NIHAR) of India had binds a sole & exclusive Global Strategic Partnership agreement to collaborate and promoting Naturopathy or also known as Natural Treatment, worldwide. This partnership is important to both parties in their existing businesses and best fit for their expansion plan to international market.

MCM being the Project Management Consultant (PMC) for few world-renowned integrated development projects, like the first MCM Eco Resort at Taman Negara (Malaysia), Bali and Mentawai (Indonesia) and Las Vegas (United States of America), where MCM always sourcing for unique and special features, products or services to be introduced in these projects, and wellness features being identified as one of the services to be included in these developments projects.

NIHAR being an organization that promotes Naturopathy by imparted Habit, Diet & Yoga training in an innovative and easy way since 1994 from Ahmedabad, had treated more than 100,000 patients using the Natural healing method for several years for free, and have more than 5 million T.V. viewers and followers.

The founder Mr. Mukesh Patel is active in the field of Naturopathy more than 30 years, since 1985. After acquiring basic knowledge of Naturopathy and completing education, he gave free advice-cum-treatment to many people. He has authored five booklets on the subject of 'Habit, Diet and Yoga' innovative therapy. He also delivers public speeches, gives training and takes care of regular patients at 'Nihar' centre.

Hence, to introduce the benefits of the Naturopathy to the whole world so benefits more people using the natural treatment, NIHAR have partnership with MCM as global partner and PMC for their international expansion.

MCM - NIHAR is targeting to organize the first "Body, Mind and Soul Detox Program with Chakra Cleansing" mediation seminar in Asia on 19-21<sup>st</sup> January, 2018 to be held at Rainforest Resort at Taman Negara, Pahang, Malaysia.

The participants will learn the Astral body meditation, Panchatatva balancing, special body detoxing diet, basic health tips for routine and one complimentary consultation for each participant. A special minimum introduction fee will be offered to first 25 participants, and the session will be for limited participants.
